Applicants whose names have already appeared in any of the 1st to 8th Lists for Admission in a particular subject are not eligible to register their names under WISH-LIST for that subject.

Steps to be followed for registration under “WISH-LIST” :

Step 1 : Candidates will be able to register under WISH-LIST by clicking the “**Login**” button against their names in the “**List for Registration under WISH-LIST**” to be provided on the admission portal.

Step 2 : Log in with your **user id** (application no.) and **password**.

Step 3: You will find a list of subject(s) (with respective form numbers) in which you are eligible to register your name in the WISH-LIST along with a button : **“Click to show your interest.”**

Step 3: Click on the button(s) for the subject(s) in which you are willing to take admission.

Step 4: A confirmation message will appear. Log out after seeing the message. It completes the process of registering willingness. Take a screenshot or printout of this screen. This will be your proof for any future claim.

All future Admission Lists from 9th Cycle onwards will be prepared on the basis of the available vacancies among the candidates registered under “WISH-LIST” according to merit.

Registering names in the “WISH-LIST” does not ensure admission.

Admission Schedule for 9th cycle onwards will be notified shortly.

If a candidate fails to register her willingness in the “WISH-LIST” her name will not be considered for any subsequent Admission Lists. No claim for admission will be entertained later from unregistered candidates.

Those who are not genuinely interested to study in UG courses in Bethune College need not register their names in WISH-LIST.

If a candidate has taken admission in any UG course for the session 2023-24 but no more interested to continue her study at Bethune College, she is requested to cancel her admission online. Refund of Admission Fee will be made as per Govt. rules after close of admission. Notification in this regard will be published shortly.
